Inside the grand Victorian frontage is a stylish and homely garden flat, which our client described as 'safe and calm', and we second that. The place has a great feel to it right from the off.

It's full of character with high ceilings and deep windows; and a lounge-diner with original floorboards, fireplace and bay window. There's a good natural light flow throughout and it's a great space for entertaining too.

The kitchen's a good size and opens out to the north facing garden, which is lush with established trees and shrubs, and gets the sun late morning into the afternoon.

Next to the roomy main bedroom is a simple 3 piece bathroom and on the other side, the second bedroom which is also a double, currently used as a home office. The property has the additional bonus of a cellar, perfect for storage. The other bonus is that this property is chain-free.

Welcome to the heart of the village. Orford Road is one of the most charming addresses in the area and puts everything Walthamstow village has to offer on your doorstep. Not just the cultural and historical vibe of the area but also the local community, buzzy independent shops, brilliant pubs (Queen's Arms, the Village, the Castle) delicious cafes, restaurants and bakeries, the award winning Spar shop, the sights and sounds of the market and Hoe street and the green open spaces of Epping Forest nearby.

There're plenty of schools and nurseries within walking distance and Walthamstow Central is just an 8 minute walk away with easy transport links via the Victoria line and London Overground.

When are you free to take a look?
