Cadogan Square, SW1X

A raised ground floor apartment measuring approximately 2000sqft with high ceilings, a share of the freehold and access to beautifully maintained communal gardens. This property benefits from a complete refurbishment of the common parts and also has the additional benefit of a residential porter.

Upon entering the apartment you are greeted by a grand entrance hall that leads to large two reception rooms, ideal for dining or entertaining. Leading down the hallway are three double bedrooms each with their own bathroom and plenty of built in storage.

This property has been in the same ownership for nearly 20 years, proving to be a wonderful family home. Plenty of character features and large windows are in abundance throughout and although in great condition, the property would now benefit from some light refurbishment.

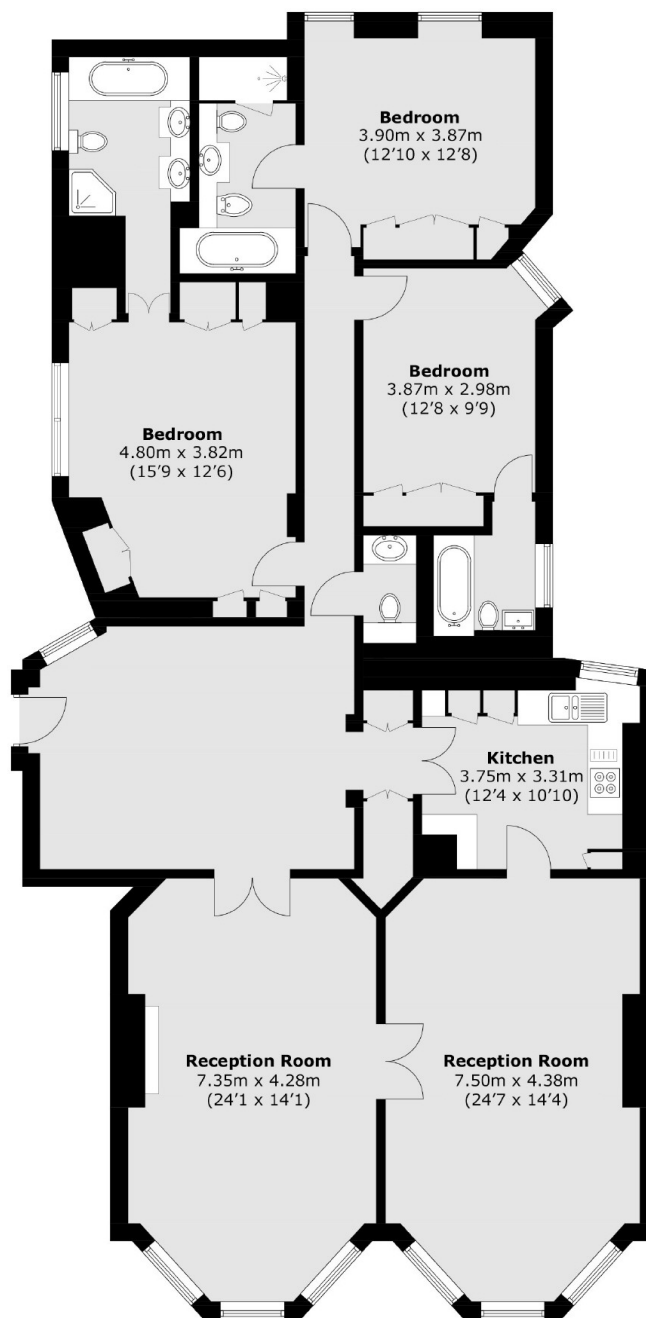

Cadogan Square is considered one of the most desirable addresses in London with beautifully kept gardens and close proximity to Pavilion Road as well as the King's Road.
