

Covid-19 Auction Viewing Guidelines

In accordance with the most recent up to date Government Advice all Auction Viewings will be conducted with full regard to social distancing and protecting the safety of our staff and customers at all times.

Please do not attend any viewings if you are suffering from any potential symptoms of Covid - 19 or have been in contact with any persons suffering from symptoms.

In the first instance prospective purchasers must express their interest in a property by registering on our website to receive the Legal Documents along with viewing the video tours and the internal images available on our Online Catalogue.

Thereafter, you should register your details with us if you intend to view a property. A viewing schedule will be published containing viewings for each property (where applicable). You will be given an allocated viewing timeslot of 5 or 10 minute intervals. We will try and accommodate all internal viewing requests.

On Arrival we shall require your name and telephone number to check you have pre-registered to view. You will be prevented from viewing if this information is not provided or if you have not pre-registered.

You must wear a face covering while viewing. Hand sanitizer will be available on site.

We thank you in advance for your co-operation and apologise if we are unable to accommodate everyone. Please arrive promptly for your appointment. Queuing at a property must be avoided. Please adhere to social distancing while you are at the property and request that you are patient and respectful of any persons in front of you.

Please do not attend any viewings if you are suffering from any potential symptoms of Covid - 19 or have been in contact with any persons suffering from symptoms.
