An exquisite Grade II listed four bedroom town house in the heart of Woodstock unfolding over almost 2800 sq ft of beautifully refined accommodation, with the rare benefit of private parking.

Meticulously renovated by the previous owners who have celebrated the building's original features, the property is defined by its seamless blend of period charm with modern day elegance. Upon entering you are immediately greeted by a sense of serenity. Generous ceiling heights, large sash windows and a soft palette draw light deeply into a series of well-thought-out living spaces. There are two large reception rooms, both adorned by original timber beams and fireplaces. A contemporary extension to the rear of the ground floor creates an impressive kitchen/family room which lends itself to both entertaining and everyday family life. Clean lines and large sliding glass walls allow for a spectacular flow of natural daylight and can be fully retracted in order to integrate the dining area and outside patio during the warmer months. Circling back to the central hallway, stairs descend into the basement where the boiler room and handy pantry can be found.

All four bedrooms are generously proportioned and rich in charm. The principle bedroom with en suite and built in wardrobes is located on the first floor along with the second bedroom and family bathroom. Two further double bedrooms and additional shower room crown the second floor.

Pouring out from the kitchen/family room lies a tranquil stone walled rear garden with large, tiled patio area, thoughtfully stocked borders and an expanse of well maintained grass. A path leads to the stone built garage space (which could also be utilised as a workshop or studio) along with private parking.
