Steeped in character whilst having relevance to contemporary living with sensitive modern-day interventions, Clementine cottage offers an oasis of calm on the border of Blenheim Palace with the rare benefit of a garage and driveway parking.

Set back from the road by a landscaped terrace garden, entry is into the front reception room. Exposed timbers run overhead whilst a fireplace with wood burner creates a natural focal point. A paired back colour palette and soft natural fabrics maximise the senses of space and light, blending modern day elegance with period charm. The kitchen sits to the rear of the plan and has been appointed to a high standard with direct access to a small courtyard. The high quality, distinctive interiors continue on your ascent upstairs to the first of the two double bedrooms and large contemporary bathroom. A further bedroom occupies the second floor.

Externally, the property benefits from an enclosed front courtyard garden, single garage and driveway parking.

In recent years the property has been very successfully let as an Airbnb, generating a gross income of £50,000 over the course of 12 months and would therefore make it an ideal investment purchase. Furnishings are also available via separate negotiation.
