The Warehouse, Burnley Road East, Waterfoot, Rossendale is a 4 bedroom, semi-detached character property offering deceptively generous, contemporary living space. Well laid out over 3 floors and amounting to almost 1,900sqft of loft-style apartment-feel living, this property is available now and is for sale with no chain delay. Modern features abound in this home, while retained character elements such as original stone and metalwork, a stunning vaulted roof and great ceiling heights throughout, are all superbly combined with contemporary presentation. Underfloor heating throughout the property also adds another luxury touch.

As a former mill warehouse, large aluminum-framed glazed elements join internal feature glazing, allowing light to flood the interior spaces, while also affording great privacy. The thoughtful, bespoke layout also makes the most of expansive open plan top floor living space. Here, the kitchen has comprehensive facilities including 2 ovens, 2 warming drawers, gas hob and built in microwave, while the instant hot water tap and waste disposal add convenience and a premium touch. Centre stage here, the large feature island is a real social hub and leading on from this, the dining and living areas are each also very well proportioned, providing perfect entertaining or relaxing space alike. The dining room offers ample capacity for gatherings, while the lounge has a spacious yet cosy feel with a fitted feature media wall.

Moving downstairs, the first floor houses the master bedroom and bedroom 2, each with their own spacious en-suites and the master has a dressing room area too. On the ground floor are a further two bedrooms, plus a shower room, utility room with boiler room and the hallway has under stairs storage too. These are all accessed via the impressive entrance hallway, itself with plenty of built in storage. Indoor garden areas add interest and impact to this unusually outstanding entrance, with a further unique feature being a walk-on glass floor module over a sunken fish tank.

This property is so much more than the sum of its parts or list of its features and viewing here is therefore absolutely essential, in order to fully appreciate the scale, feel and styling on offer. This property also has the additional benefit of being offered FOR SALE WITH NO CHAIN DELAY.
