Location

Aigburth is a genuinely varied area of Liverpool with plenty of local character, popular with students, investors, professionals and families. Property largely consists of traditional terraced housing (of all sizes) but with some large Victorian villas around Sefton Park and apartments (both purpose built and converted) appealing to both the buying and rental market. At the heart of the area is Sefton Park, Grade II listed and covering a massive 235 acres it has something for everyone including the spectacular Victorian Palm House. Further open space can be found nearby at the Green Flag rated Greenbank Park. Connecting Aigburth Road to Sefton Park, Lark Lane attracts students, young professionals and families alike to its bohemian mix of shops, restaurants, bars, regular Farmer's Market and unique atmosphere. Further shopping is also available on Aigburth Road and there is no shortage of sport and leisure facilities, including Greenbank Sports Academy, Sefton Park and Liverpool Cricket Clubs, the Mersey Bowman Lawn Tennis Club and several Yoga and Martial Arts centres. Schools in the area are well regarded, including private schools, The Belvedere Academy and Auckland College and St Margaret's and St Hilda's C of E High Schools. Travel connections include Aigburth and St Michael's train stations, main bus routes along Aigburth Road and easy routes to John Lennon Airport and the M62.
