Location

Garston is in close proximity to the expanding John Lennon international airport, a bustling retail park, home to some of the biggest retail chains in the UK including M&S, B&Q and Next, a Crown Plaza hotel in the beautifully restored Art Deco former airport building and, as ever, the 500 year old, National Trust owned Tudor manor house of Speke Hall. Features of the area which were once used as examples of its decline, such as the closed Bryant and May match factory, are now pointed out as symbols of its regeneration due to the award winning Urban Splash redevelopment of this landmark building. Located close to the City boundary with Knowsley, Garston is home to Liverpool South Parkway railway station, a major new interchange station opened in 2006. Trains operate at regular intervals to the city centre, Southport, Manchester and Birmingham. Garston offers an alternative shopping and living experience while still enabling access to the City centre in a short time. Housing is largely traditional terraced property with smaller detached and semi detached homes within the newer estates and give buyers a 'value for money' option in a rapidly improving location
