Location

There's a Morrisons Local within walking distance and other small shops at Knott End on Sea and Hambleton. Between them, Poulton le Fylde and Garstang offer a full range of health and professional services, supermarkets, vets and a great selection of places to go for drinks and food as well as busy high streets full of independent retailers.

Step inside

A substantial house enjoying a sunny south east facing front elevation. The front door opens into a vestibule and from there into the light filled staircase hall. The contemporary fitted kitchen is central to the layout. Opening off the kitchen is the vast family room. There are then sitting, living, dining and breakfast rooms. Adjacent to the ground floor bedroom is a wet room. The utility room has a large pot sink and space for free standing appliances. The plant room houses the boiler and provides additional storage.

The indoor pool room is unfinished. The 11m x 4.7m pool is 1.5m deep throughout and has a space ready for changing and loo facilities to be installed. Along the length of the pool room are windows and a set of French doors out to the back garden making it wonderfully private. The space could be repurposed as an annex, letting unit, living kitchen, workshop, studio or workplace (subject to consent).

The first floor landing has a door to the south east facing balcony (as do two other rooms). The principal bedroom has two fitted dressing rooms and ensuite bathroom. A staircase leads from one of the dressing rooms to the second floor where there is a room and cloakroom set into the loft space.

The second double bedroom has a walk-through dressing area and an ensuite bathroom. Both bedrooms have doors out to the rear balcony. The third and fourth double bedrooms share the house bathroom. Originally designed as bedrooms five and six and an ensuite bathroom, the final rooms on this floor have been used as a guest suite. There's a bedroom with a door to the rear balcony, and an ensuite bathroom. The second bedroom is now an open plan living kitchen; with a door to the front balcony. On the second floor are two loft rooms, with plumbing (but no fittings) for a bathroom.

This is an extensive house offering over 7000 sq ft of living accommodation. Light, bright, spacious, it is flexible and would suit extended family life or those that seek to work from home, indulge hobbies or entertain frequently.
