Residential Sales Particulars

23 Ashdale Avenue, Pershore South Worcestershire WR10 1PL

Situation

Ashdale Avenue is a popular residential development off Station Road being convenient for the town centre and educational facilities. This greatly improved and extended property offers superior living accommodation with two En-suite bedrooms on the ground floor and two further bedrooms and bathroom on the first floor. There is useful utility room with fitted units and storage for appliances, there is modern fitted kitchen with breakfast area and a large garden room/dining room to the rear overlooking the attractive garden designed for low maintenance. The lounge is on the first floor and has panoramic views from Bredon Hill to the Cotswold escarpment. The property has gas central heating being a pressurised system and solar panels and there is brick paved driveway providing off-road parking.

The market town of Pershore is Georgian styled and provides high street shopping facilities and supermarket together with a leisure complex. The river Avon runs to the east of the town lending itself to scenic walks and leisure pursuits. There are two medical centres and hospital and town library, together with excellent educational facilities within the area. Pershore has Number 8 which is run by voluntary help and provides theatre activities, a cinema, ballet and yoga classes and is very much a part of Pershore community living.

Off Station Road there is the railway link to London Paddington or Worcester Shrub Hill travelling onto Birmingham. The motorway is approximately nine miles distant at Worcester junction 7 bringing Birmingham to the north and Bristol to the south within commutable distance. Other main centres are Stratford-upon-Avon with the theatre and racecourse, Cheltenham with National Hunt horseracing and the Everyman Theatre and major main shopping, Worcester with famous Cathedral and equally famous cricket club together with the River Severn and good shopping centre.

The new Worcestershire Parkway Station has been developed to improve the access and destinations to the southwest, the northeast, London and the Thames Valley. So significantly enhancing Worcestershire's connectivity to outlying regions.
