A unique opportunity to purchase a spacious eco-friendly, timber framed family home at the head of a small cul de sac in the popular village of Little Urswick. This excellent family home is offered for sale with early vacant possession available having no upper chain. Utilising modern technology, the solar PV system not only generates a feed in tariff income (we are advised this is £1500.00 on average over the last three years) which is valid until 2036 but, also by using the latest Sunamp thermal store technology, the excess solar power provides either domestic hot water or preheating for the gas boiler. The property has a gas fired central heating system, double glazing and substantial insulation. Comprising of four bedrooms, one of which is on the ground floor and could be used as a work/home office or family member accommodation with separate entrance, en-suite shower/WC and built in wardrobe/store, two/three reception rooms, entrance hall, cloakroom/WC, lounge, dining room and spacious kitchen/diner with three bedrooms to the first floor, the main with fitted units and an en-suite shower room as well as family bathroom with sauna. Attractive mature and easy to maintain patio gardens with ample parking, two entrances and garage. In all an excellent family home in a popular village.

Accessed through a feature uPVC double glazed front door into the:

ENTRANCE PORCH

Tiled floor, double-glazed windows to either side and feature wood door with central oval pane opening into:

ENTRANCE HALL

Radiator and modern pine doors opening to the ground floor WC, sitting room and kitchen. Staircase leading to the first floor with pine newel post, handrail and spindles. Door to a small under stairs storage area.

CLOAKROOM/WC
