We are privileged to bring to the market this superb traditional Lakeland cottage property situated in a fabulous position within the hamlet of Lowick Green. Having been comprehensively improved and modernised by the owners over recent years to offer a stylish and comfortable property of character, in a fabulous setting and with a superb garden area to the rear with far reaching views towards the Lakeland Hills. Comprising of entrance hall, WC, open plan lounge/dining kitchen, separate reception room, utility room and three double bedrooms and a stylish four piece bathroom suite. In addition to the extensive well-kept gardens there is excellent off-road parking and a substantial detached garage/workshop building. Reluctantly offered for sale due to relocation and offered vacant with no upper chain. In all this super property offers a most impressive Lakeland home and must be viewed to be appreciated.

DIRECTIONS

Turning of the A590 at Greenodd onto the A5092 signposted Whitehaven, keep on the road until passing the Farmers Arms Public House on the right at Lowick. Take the next right signposted to Coniston the A5084 after a short distance you will see a red phone box with a couple of houses in front. The property is the third one along.

The property can be found by using the following "What Three Words"

Beautiful ample sized garden with a front cottage style garden area with stone walls, gravel paths and being well planted and screened. Sheltered front seating area besides the door to the kitchen that gets lots of morning sunlight. Tarmac drive to the side of the property and leading up to the turning area and substantial garage/workshop building. To the side of the drive are natural stone walls with the main door to the side into the house. Gated access to the substantial rear garden area which is a fantastic feature of this wonderful property and we are advised extends to approximately 1 acre with the stone walls to the boundary. To the upper part of the garden are two excellent greenhouses both with the water collection systems, an area with raised beds, potting shed and cold frame. Throughout the garden are a wide range of specimen trees and hedging including black thorn hedging. Completing the outside is a lower section of the garden with a magnificent garden room positioned to take full advantage of the excellent views. To the rear of the garden room there is a gate to an orchard area stocked with a variety of trees and further raised beds. From here there is a stone wall with an access point to an additional sheltered seating area with slate gravel flooring and access to a pedestrian door to the garage/workshop. There are also areas for rainwater harvesting around the garden.

GARDEN ROOM

10' 6" x 16' 6" (3.2m x 5.03m)
Slate shingle patio to the front offers a great lovely seating area with magnificent views over the beautiful countryside and Lakeland Hills. Two sets of French doors to the front and side as well as opening windows.

GARAGE/WORKSHOP

To the rear of this excellent building is an outdoor kitchen area which has a wood block effect work surface with various kitchen units offering great storage, integrated oven and fridge with space for further free standing fridges and freezers etc, Door to the garage and workshop space and double doors open to an area that is perfect for use as a gym home office, play room etc, with borrowed light window into the garage area. The garage/workshop is accessed by way of an electric roller door with high head height and has a pedestrian door to the side. This superb building offers a most spacious room with electric light and power and to the corner of the building a door to the WC which has a pushbutton flush, wash hand basin with hot and cold running water from an electric water heater. To the rear of the garage is a traditional cast stove made for winter working.
