Outside

The property features a small, enclosed frontage with a brick wall surround that leads to the main entrance door.

The west-facing rear garden presents an excellent opportunity for renovation and making your own. Currently offering a laid lawn and paved area, this space has great potential to be transformed into a beautiful outdoor space. The garden is fully enclosed by a brick wall surround and includes a garage and gated access to the rear. Additionally, a small area of land in front of the garage is included within the property's boundaries, further enhancing its potential for improvement.

Agent note

The property has undergone significant improvements, including full insulation, a new gas combi boiler installed in 2023, a roof replacement in 2024 and full rewiring completed in 2024. New UPVC double-glazed windows have been installed in select areas and partial re-plastering has been carried out. Materials for the remaining work are available and may be negotiated as part of the sale.
