Outside

To the front, the property features a gated driveway providing off-road parking for multiple vehicles, along with gated access leading to the garage entrance. A separate gated pathway leads to the entrance door, passing through a landscaped area with decorative purple slate, complemented by a variety of plants and shrubs. Additional gated access provides a seamless connection to the rear garden. Outdoor lighting enhances the space, offering both security and ambiance.

To the rear, this beautifully landscaped garden boasts a spacious patio area, a neatly laid lawn, and a variety of plants, trees, and shrubs. A pathway leads through the garden to two garden sheds and a greenhouse, with nine water butts strategically placed for sustainability. The area is fully enclosed with fencing for privacy, while a gated entrance with stone detailing provides access to the front. Outdoor lighting, a water tap, and external sockets add convenience, making this a functional and inviting outdoor space.
