#### Outside

Off-road parking is available at the front of the property, suitable for bikes or potentially allocated to a single flat. A pathway leads to a covered storm porch, offering shelter over the main entrance door.

Flats one and two enjoy direct access to a communal rear garden, which is available for use by all residents and provides a shared outdoor space. The garden also benefits from rear access via a service road, offering added convenience and potential for vehicular access. While the garden is currently in need of maintenance, it presents a great opportunity to create an attractive and functional outdoor area.

#### Agent note

The flat roofs to the rear have been recently replaced. The property benefits from recently installed gas central heating on the ground floor. The bay window roof has also been replaced. All windows throughout the property are newly double glazed. The property is registered with separate gas, electricity, council tax, and water supplies for three units.
