

An outstanding 3 bedroom penthouse (with lift) with vaulted ceilings, presented in excellent condition, in the heart of “Old Chelsea”.

Having been newly developed by the previous owner, the flat has been very well looked after and offers superb lateral living, with real “wow factor” in a quiet residential setting, close to the King’s Road. Towards the front, there is a stunning reception room with 18 ft ceiling heights that is south facing and flooded with natural light. This is the perfect space in which to relax, or entertain. Stairs lead up to a mezzanine office / bar / tv room which offers excellent secondary reception space, and a door leads out onto a private roof terrace. Adjacent to the reception room is a very well-formed kitchen with lovely views and fully fitted appliances.

Peacefully located towards the rear, there is an excellent principal bedroom which offers stunning views, and benefits from built-in storage as well as an en-suite bathroom. There are two further double bedrooms, another shower room, and a separate guest cloakroom.

St Loo Court is a sought-after block of flats, which benefits from a caretaker, conveniently located between Flood Street and Chelsea Manor Street. Sloane Square and South Kensington underground stations are both 0.8 miles away.
