Offers Over £154,995

Ben Rose Estate Agents are delighted to offer this deceptively spacious, character-rich commercial property situated in the heart of Chorley Town Centre. This versatile property presents a fantastic opportunity for either business or residential use.

It offers a blank canvas, allowing for flexible spaces that can easily be transformed into a spacious family home or a combination of ground-floor business premises with living accommodation on the first floor. Positioned within a vibrant local community, the property benefits from easy access to various local amenities and free nearby parking, making it an attractive choice for a wide range of ventures.

Upon entering, you are greeted by a grand entrance hall, showcasing original traditional floor tiling and high ceilings, which add to the charm of the property. From here, you have direct access to the shop floor.

The shop floor consists of two generously sized rooms, with the rear room offering access to both the WC and the cellar. These spaces are not only versatile but also sizeable, providing plenty of potential for various business uses. There is also external access to the property via a fire door located at the rear.

The first floor features four large reception rooms and a spacious fifth room, which was formerly a bathroom. Perfect for conversion into a modern and expansive first-floor apartment. The landing is open and spacious, and reception rooms one through three are all impressively sized, providing ample space for a variety of uses.

Additionally, the property includes a good-sized cellar, ideal for storage. As an end-terrace, it also offers convenient on-road parking, enhancing its practicality for both residential and business purposes.

The business is also unaffected as the showroom is at the rear of the property and the seller will not sell to another bed shop.

This unique property offers endless potential and is a rare find in such a prime location.
