Smeeton Road, Leicester

DESCRIPTION

Hunters are delighted to offer to market this well appointed, first floor, over 60's apartment that benefits from its own private entrance, gas central heating and double glazing.

The apartment is nestled within the sought after village of Kibworth Beauchamp in a private residential complex, which has communal gardens and residents' parking.

The property is accessed via a central secure foyer with doors opening to the landscaped gardens, and turning right from the foyer a pathway leads to the apartment building.

On entering the apartment building, stairs ascend to the first floor landing, which also has the benefit of a chair lift installed. On opening the door to the home, you will find an L-shaped hallway with doors leading off to the lounge and bedroom. The double bedroom has built in storage cupboards and a Jack and Jill door to the five piece bathroom suite, which consists of a spa bath, separate shower cubicle, wash hand basin, low flush wc and bidet. A further door from the bathroom opens into the generous lounge, which has double glazed windows, built in storage cupboard and access to the balcony via double glazed French doors. The modern style fitted kitchen has wall and base units with complimentary worksurfaces, an integrated oven and hob with extractor over, integrated fridge-freezer and space for a washing machine.

Outside, the landscaped communal gardens have various plant and flower beds with a focal artificial lawn with edged wooden bench seating and patio paving. To the front of the foyer you will find the residents' parking spaces.

The home is being sold with having no upward chain and in our opinion is a must view to appreciate the style, space and location its has to offer.

ENERGY PERFORMANCE CERTIFICATE

The energy efficiency rating is a measure of the overall efficacy of a home. The higher the rating the more energy efficient the home is and the lower the fuel bills will be.

Energy Efficiency Rating	Current	Potential	Environmental Impact (CO ₂) Rating	Current	Potential
Very energy efficient - lower running costs			Very environmentally friendly - lower CO ₂ emissions		
(92 plus) A			(92 plus) A		
(81-91) B			(81-91) B		
(69-80) C			(69-80) C		
(55-68) D			(55-68) D		
(39-54) E			(39-54) E		
(21-38) F			(21-38) F		
(1-20) G			(1-20) G		
Not energy efficient - higher running costs			Not environmentally friendly - higher CO ₂ emissions
