DESCRIPTION

Nestled within a quiet cul-de-sac on the popular Little Hill residential area of Wigston is this extended semi-detached bungalow, that offers living space set over two floors. The bungalow comprises of an entrance porch, a hallway, a spacious living room with sliding patio doors to the garden, a fitted kitchen-diner and two ground floor bedrooms. Returning to the hallway, stairs lead up to the first floor landing which gives access to the three piece bathroom suite and the main bedroom, which benefits from having its own private shower and wc.

Externally to the the side is a gated and covered lean to which gives access to the detached garage and additional door way to the garden. The rear garden is landscaped with patio paving, a brick built raised flower bed and a garden summer house. To the front of the bungalow, there is a decorative stone hard standing and driveway, which provides off road parking spaces for the home and gated access to the side lean-to.

This lovely bungalow is set over two floors and has the scope to extend, subject to relevant planning regulations. in our opinion, internal viewing is highly recommended to appreciate the size, location and scope to extend it has to offer.
