Swindon Village, Cheltenham

This beautifully presented detached family house is situated in popular Swindon Village. Accommodation comprises three bedrooms, two reception rooms, a kitchen, a family bathroom, and a garage.

The entrance hall has engineered oak flooring. There are stairs to the first floor and doors leading to the sitting room and kitchen.

The bay-fronted sitting room to the front of the property is open via an archway into the dining room to the rear. There is neutral carpeting throughout, period style coving, and the sitting room has a feature fireplace. Double sliding doors in the dining room lead out to the rear garden.

A further door in the dining room leads to the kitchen, which has views of the rear garden. There is slate effect flooring and a range of soft close wall and base units with wood block worktops and upstands, under cabinet lighting and an inset composite sink and drainer with a mixer tap.

Integrated appliances include an electric hob, extractor hood, oven, dishwasher and washing machine. Other doors give access to the side of the property, the hallway, and a useful understairs storage cupboard.

The upstairs landing area leads to two double bedrooms, a single bedroom, and the family bathroom. Neutral carpeting flows into the bedrooms, and a hatch leads to the loft space above.

The bay windowed main bedroom and bedroom three have views to the front of the property, and bedroom three looks over the rear garden. The generous main bedroom further benefits from a built-in wardrobe.

The family bathroom completes the internal accommodation and offers vinyl flooring with tiled walls and a white suite comprising a bath with a shower, a low-level WC, and a basin.
