BUILT IN 1920. BUILD 180M²

A very cheap 5 bedroom, 2 bathroom house in Beniarjo, near Gandia. Perfect for family or if you just like space. This house has 2 bedrooms downstairs, perfect if you have a relative who cannot make it up the stairs. Other useful storerooms and a roof terrace. Situated in the heart of the town and walking distance to all amenities and facilities.

The approach to the house is via a typical Spanish Street. The main door leading into a very spacious reception hall.

Reception hall very welcoming, with doors off to the sitting room, kitchen, bedroom 5, stairs leading to the first floor.

Sitting room with a window lighting built-in cupboards and bookshelf ceiling lighting archway and door to bedroom 4.

Kitchen is a galley kitchen with a window overlooking the utility room, a range of base and wall units. Fitted oven hob and extractor over, double sink with mixer tap and lighting. I would consider removing the partition wall and open it all up into a kitchen dining room.

Dining room with door leading to kitchen and door to utility. Ceiling lighting under stairs storage cupboard and stairs leading to the first floor.

Utility room with a skylight a double scrub sink and space and plumbing for washing machine. Open arch to a pantry which is a very useful storage space and door to the downstairs shower room.

Shower room with a walk-in shower, Vanity unit, WC, lighting and heater.

Bedroom 4 on the ground floor with a window Lighting and concertina door to bedroom 5. I would consider using this as a 2nd sitting room. Or office.

Bedroom 5 accessed from the sitting room or from bedroom four. With a window and Lighting.

First floor landing with doors off to bedrooms 1, 2 and 3 and the door off to bathroom and storage room.

Bedroom 1 with sliding patio doors to a small balcony ceiling lighting.

Bedroom 2 is a generous sized double bedroom with lighting and a window.

Bedroom 3 is a double bedroom with a window and lighting.

Family bathroom with a full-length bath and shower over, wash basin, WC, louvred window and lighting.

Storage room with a window and shelving. Could be another bedroom/ study room etc.

Second floor landing with a window and door to storeroom.

Storeroom with a window Lighting Power and would make a beautiful Summer sitting room or kitchen.

Roof terrace is spacious with plenty of room for table chairs sun lounges and entertaining.

Overall, this is a really good house and if you are looking for a new life in the sun, then this may be the place for you. The house is big enough to consider a small business, guest house or B&B.

Beniarjo a pretty town and has shops, bars, restaurants, municipal swimming pool, vets, doctors, chemists and is on a bus route to Gandia where you can get the train to Valencia.

Beaches are about a 10-minute drive away. There are plenty of them including the nudist beach in Gandia. Piles, Daimus and various other beaches along the coastline.
