Swimming pool is 8 m x 4 m with Roman steps for ease of entry.

There are many things I like about this house, the seating areas around the villa, plenty of them and some in the sun or shade whatever you prefer. The spacious rooms, not just modern boxes, a traditional villa with space and character. It has central heating and majority double glazed windows. The views are spectacular from nearly every window. It is on a popular cycle route around the valley or for the keener cyclists the local mountains. Garage with a workshop. I think I could keep going. Just visit the villa and see for yourself.
