Oak flooring takes you through a set of double doors into the playroom, which has fitted cupboards and shelving along one wall in addition to a set of French doors that lead out onto the rear patio. The heart of the house is undoubtedly the lovely kitchen/breakfast/dining room with the kitchen having been fitted with a stylish range of cream wall and base units, with a breakfast bar to one side of the room, all of which have granite worktops. There are then a range of appliances that include a double range style oven, built in Smeg microwave and coffee machines, built in dishwasher and further appliance space. The room also has been fitted with porcelain ceramic tiled flooring and has spotlights as well as a door at one end through to the utility. This room has a range of fitted units, sink and plumbing space for an automatic washing machine as well as further appliance space.

On the first floor landing there is a staircase to the second floor and doors that lead through to four well-proportioned bedrooms and family bathroom. Bedroom two overlooks the rear garden, is a double room and has a fitted wardrobe and is ensuite, whilst bedroom three is also a good size double that overlooks the rear garden and has a fitted wardrobe. Bedroom four has a window overlooking the front garden and is also a lovely bright room whilst bedroom five has a window to the rear and is currently used as a home office by the vendors. The family bathroom has a panel enclosed bath with shower over, floating wash basin, low level WC, heated towel rail, complementary tiling and spotlights. On the second floor there is a stunning master bedroom that has full height windows as well as double-glazed sliding doors with glass Juliet balcony overlooking the rear garden, fitted wardrobes along one wall, a further two Velux windows to the front and a door at one end of the room which leads through to the beautifully appointed ensuite. This room has a full height window to the rear, double width shower cubicle, stylish wash basin and matching WC and the room is also fully tiled.

OUTSIDE

Externally, to the front of the house the garden has been fully planted with a selection of attractive trees and shrubs with a resin-bound gravel driveway that provides ample parking.
