Woodlands Trampers Lane

North Boarhunt, Fareham

INTRODUCTION

A unique opportunity to covert a beautiful detached barn into a wonderful family home surrounded by woodland and countryside. The existing barn was originally built with both strength and being able to withstand the test of time, as was originally used to store crops and then machinery in more later years. The existing building also has cavity walls in place, reinforced floors and even a strengthened roof, therefore reducing any overall build cost for a conversion. The property, when converted would then offer around 3,600-3,900 sq ft of accommodation, depending whether a void-space is factored in of an additional room is added in its place.

The property then has a driveway providing ample parking for several vehicles, in addition to a beautiful garden that the property faces directly onto that have been well stocked with a wide variety of mature flower, tree and shrubs. A true hidden gem nestled within this popular village and only a stones throw away from the village of Wickham and Bishops Waltham, therefore an early viewing is undoubtably a must.
