## Droxford, Southampton

Surrounded by fields and countryside, this beautiful family home enjoys a secluded position set towards the end of a quiet lane and also has the advantage of being offered with no forward chain. As well as a wonderful light and airy feel throughout the house also has plenty of scope to extend, subject to the relevant planning consent and due to both the accommodation on offer, as well as its great location, a healthy amount of interest is certainly expected. The house itself comes with a well proportioned sitting room, spacious conservatory with lovely views, kitchen with separate utility room/store. On the first floor there are then three double bedrooms and bathroom. The house also has a sizeable loft space, which again could be looked at in terms of extending as well as a good size frontage to add parking and lovely mature garden to the rear that sides directly onto a field.

The front door then takes you through into the entrance hall that has a window to the side, stairs to the first floor, with a door to the side that then leads through to the sitting room. A lovely bright room, the sitting room is a well portioned room with a window to the front and the main focal point being the original open fireplace. The kitchen, again a good size room has windows both to the side and rear, overlooking the garden and is fitted with a matching range of units, has a single bowl sink and various appliance space, in addition to an understairs cupboard/pantry to one side. A door then leads through to a rear hallway which has a door through that leads out onto the patio area and a further door leads through to a utility/storeroom and cloakroom.

On the first floor landing there is access to a large loft space with doors then leading through to the bedrooms and bathroom. The master bedroom overlooks the front of the house and has an attractive fireplace to one side of the room with patterned tiling. The second bedroom enjoys views over the rear garden, whilst bedroom three, also a double room, overlooks the front of the house and has a fitted cupboard to one corner of the room. The bathroom has a panelled bath, wash hand basin and low level WC and overlooks the rear garden.

## OUTSIDE

To the front of the house there is a good size garden where a driveway could easily be added along with a pathway then leading through to the back garden. The rear garden has a patio area, leaving the rest of the garden mainly laid to lawn with trees and shrubs at one end. A gate at the end of the garden leads out onto a footpath that leads to the centre of the village with the garden itself also enjoying unrivalled views across the adjacent countryside. A real hidden gem within the heart of the Meon Valley.
