Kings Group are proud to present this two bedroom second floor apartment located in the heart of the regeneration currently taking place in Tottenham. The property needs modernisation throughout and benefits from two double bedrooms, three piece family bathroom suite, spacious light and airy reception room and fitted kitchen. The development features private residents and visitors parking as well as communal gardens. This would be an ideal opportunity for an investor.

Situated in the heart of the regeneration, the property is 0.3 miles to White Hart Lane Station with trains going directly to Liverpool Street Station and excellent bus routes connecting Central London and the surrounding areas. The property is moments away from local schools, amenities and restaurants and there is further development with new shops being built alongside the new stadium. Proposals are in the pipeline for a new public square with new restaurants and shops creating new jobs and growth within the local area.
