An imposing four bedroom detached residence of individual design, set well back from the road within an unusually wide and secluded plot, located a few hundred yards from The Royal Eastbourne Golf Course in the highly prized Summerdown area of Eastbourne. Sussex House is well screened from the road and approached via a long driveway and the accommodation currently comprises four bedrooms and two/three reception rooms; however there is ample scope to significantly extend the house subject to any necessary consents being obtained. The house is set within good size gardens that are mainly arranged to the side and front of the property enjoying a southerly aspect and rooftop views to The South Downs. Although benefiting from gas central heating and partial sealed unit double glazing, the house does require modernisation and complete redecoration and has the potential to provide a truly outstanding family home. With no onward chain an early internal inspection is highly recommended.
