A well proportioned three/four bedroom detached chalet-style house taking advantage of its elevated position affording delightful views to Belle Tout lighthouse and the sea in the distance. The house provides versatile accommodation over two floors and includes a 21' x 17' living room, a sun room, kitchen and two further reception rooms/bedrooms with a shower room on the ground floor. The two first floor bedrooms are served by a bathroom with both a bath and shower. The gardens extend to some 70' at the rear and enjoy a westerly aspect with off-road parking and a small secluded front garden taking advantage of the morning sun. The house is now in need of general modernisation and complete redecoration and is very much a blank canvas which will appeal to those wishing to create a bespoke home arranged and appointed to their own choosing. Located in the Downland village of East Dean, local shopping facilities are available in Downlands Way, whilst further amenities including the famous Tiger Inn, are set around the Village Green.
