PROPERTY DESCRIPTION BY Miss Molly Scruton

Set within APPROXIMATELY 0.66 ACRES of mature grounds! This beautifully presented two-bedroom thatched cottage offers a unique blend of period character, practical living space, and exceptional outdoor potential.

From the moment you arrive, the home's striking facade — featuring whitewashed brick, black timber detailing, and a classic thatched roof — hints at the charm within. Inside, the accommodation is both warm and welcoming. The kitchen/dining room provides a sociable heart to the home, while the adjoining sitting room is a cosy retreat. At the rear, a conservatory overlooks the garden, offering a peaceful spot to relax year-round. A convenient cloakroom completes the ground floor.

Upstairs, there are two spacious double bedrooms and a well-appointed family bathroom, with thoughtful layout and storage.

The standout feature of this property is undoubtedly its generous plot, extending to 0.66 acres and including a variety of outbuildings and stores. These offer fantastic scope for storage, hobbies, or future conversion — subject to the necessary permissions. The grounds provide privacy, space to enjoy the outdoors, and excellent potential for landscaping or extension.

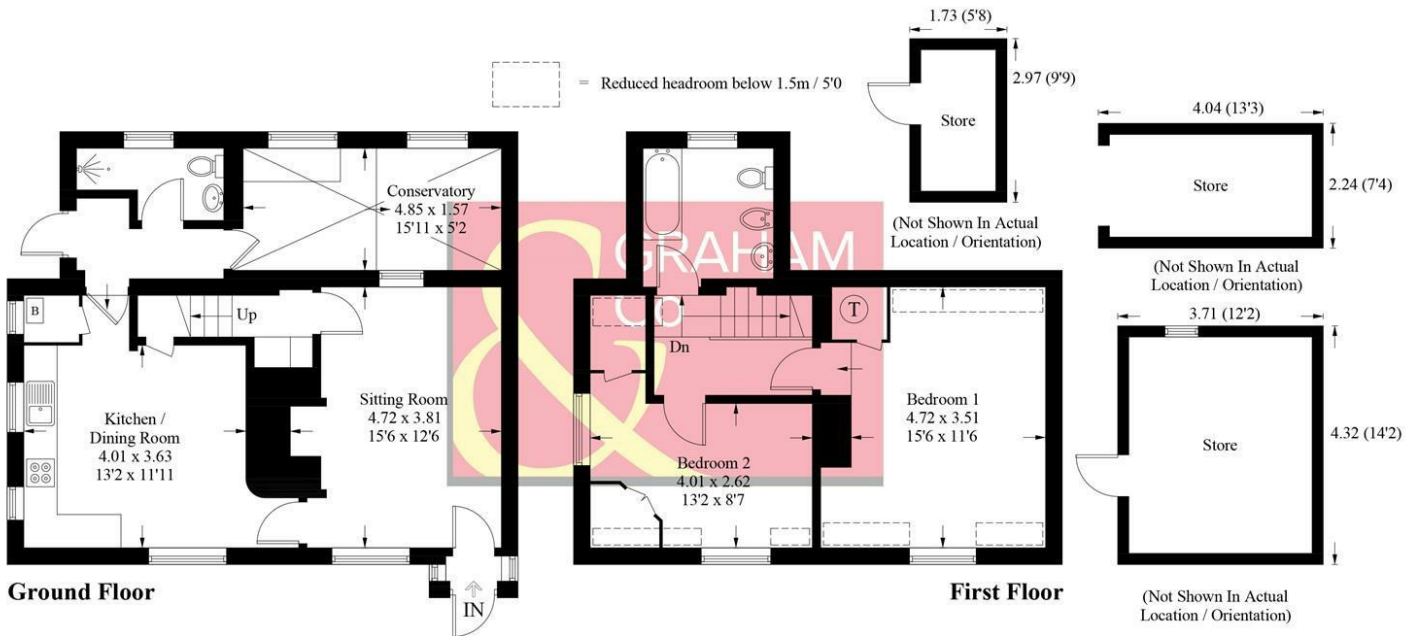

Set in a peaceful yet accessible location, the cottage enjoys a semi-rural feel while remaining close to local amenities and countryside walks. This is an ideal opportunity for buyers seeking charm, land, and a home with long-term flexibility.
