Asking Price £475,000

13 Newtown Close, Andover,
Asking Price £475,000

PROPERTY DESCRIPTION BY Mr Guy Sommerville

Charming Three-Bedroom Bungalow in a Quiet and Popular Close

Offered in immaculate condition throughout, this spacious and well-presented three-bedroom detached bungalow is situated in a sought-after, peaceful close within easy reach of the town centre, mainline railway station, excellent road links via the A303, and the beautiful Beech Hurst Park. The accommodation features a bright and airy kitchen with dual aspect windows to the front and side, a comfortable sitting room to the front of the property, and a separate dining room which flows seamlessly into a generously sized conservatory—perfect for year-round enjoyment. There are three well-proportioned bedrooms, with the principal bedroom benefitting from a modern en-suite shower room. One of the additional bedrooms enjoys access to the family bathroom via a convenient Jack and Jill door arrangement. Outside, the rear garden is a particular highlight—fully enclosed by timber fencing and offering a good degree of privacy, with gated rear access. Adjacent to the detached single garage is a charming sunroom, providing a relaxing space to enjoy the garden regardless of the weather. To the front and side of the property, there is ample off-road parking. A wonderful opportunity to acquire a beautifully maintained home in a desirable location. Early viewing is highly recommended.

Andover offers a good range of shopping and recreational facilities including a theatre, cinema, new leisure centre, excellent selection of schools and a college for higher education. An abundance of open space and land with a selection of local nature reserve's all within walking distance of the town centre. The town itself boasts a lovely "market town" feel and everything you may need is close at hand. The mainline train station offers a fast service to London Waterloo in just over an hour, and the A303 gives access to London via the M3 and the West Country.

Newtown Close, SP10
