Loughborough Road

Thringstone, Coalville, LE67 8LS

£525,000

Fantastic opportunity to acquire a development site with planning permission for erection of two detached four bedroom dwellings, detached garage and associated vehicular access alterations alongside a traditional family home ready for extension and improvement on a plot of circa 0.5 acres.

In pursuance of its powers under the Town and Country Planning Act 1990 North West Leicestershire District Council hereby grants planning permission for the above development in accordance with the application and plans submitted. Application reference 22/00263/FUL. The development hereby permitted shall begin not later than 3 years from the date of this permission. Decision Date 8 December 2022. Full copies of the planning permissions, drawings etc are available on the planning portal and we would encourage all interested parties to view and read the various terms etc.

The site is a tree lined and private one set upon a non estate position, on the edges of Thringstone and it extends to circa 0.5 acres. It includes a lovely existing traditional family home which currently offers three bedrooms, bathroom, lounge and dining room, kitchen and garage. The property is ready for modernisation and offers great potential for extension (subject to PP).

The two individual four bedroom homes will offer a pleasing contemporary layout coupled with a superb location. Plot 1 is circa 1540 GEFA and Plot 2 circa 2185 GEFA inc garage. (Measurements taken from architect drawings and express gross external floor area).

Thringstone is a popular village lying approximately five miles east of Ashby-de-la-Zouch. There are many amenities such as a post office, village store, school, a great fish and chip shop, fitness centre and numerous public houses. Surrounded by countryside, there are many walks for dog lovers and there is also the convenience of being close to both the M42 and M1 at J23.

Tenure: Freehold (purchasers are advised to satisfy themselves as to the tenure via their legal representative).

Services: Mains water, drainage, electricity and gas are believed to be connected to the property but purchasers are advised to satisfy themselves as to their suitability.
