Welcome to your next family home
Step into a welcoming entrance porch that opens into a central hallway, where a stylish guest cloakroom is conveniently tucked beneath the stairs. At the heart of the home lies a stunning contemporary kitchen, finished in high-gloss black cabinetry that wraps around two sides of the room. Gleaming quartz worktops and a central breakfast bar island create a perfect spot for morning coffee or casual meals. The kitchen is equipped with an induction hob and extractor, built-in eye-level double oven, wine fridge, integrated fridge-freezer, and a one-and-a-half bowl composite sink with mixer tap. Metro-style tiling adds a touch of elegance, and a tall modern radiator along with polished porcelain flooring completes the space.

Adjacent is a well-appointed utility room with matching cabinetry, quartz counters, and space for a washing machine-plus a door leading directly outside.

A glazed door from the kitchen leads into a formal dining room, featuring laminate flooring, ceiling coving, and a lovely view over the rear garden-ideal for both relaxed family meals and entertaining guests.

The spacious living room runs the full depth of the home and centres around a striking deep blue wood-burning stove set into a feature fireplace. Bifold doors open directly onto a full-width, private decked terrace-perfect for summer gatherings and alfresco dining.

First floor
A winding staircase leads to the first floor, where you'll find four generously sized bedrooms. The standout is the master bedroom suite, stretching from front to back and boasting dual-aspect windows that flood the room with natural light. With garden views to the rear and a private en suite shower room featuring a walk-in enclosure, WC, and wash basin, it offers a true retreat.

The remaining bedrooms share a stylishly refitted family bathroom, complete with a panelled bath with shower over, feature wall tiling, WC, and pedestal wash basin.

Second floor
Continue to the top floor and discover two additional double bedrooms, offering fantastic flexibility perfect as an ideal teen retreat or hobby space. One of these rooms is currently set up as a cinema and gaming room.

Outside
To the front, a driveway provides off-road parking, with gated side access leading to the rear garden-a beautifully designed family space. A full-width decked terrace steps down to a large, low-maintenance artificial lawn, bordered by a charming babbling brook along the rear boundary.

Detached double garage
Formerly a traditional garage, this space has been skilfully converted into a versatile home office setup for two, along with a spacious gym-ideal for remote working, wellness, or both.
