Leading off this is an inner lobby which in turn accesses a contemporary guest cloakroom finished in white with feature tall ladder style towel radiator, vanity unit with contemporary wash hand basin and pillar mixer tap and WC. The heart of the home is the rear full width open plan kitchen/dining room, perfect for socialising and entertaining. It comes well equipped with a Howden kitchen in a deep contemporary blue with contrasting marble effect countertops incorporating one and half bowl sink with black mixer tap. Fully equipped, this gorgeous kitchen features a ceramic hob with feature extractor hob above, high level microwave oven with integral oven below, integral fridge freezer, dishwasher and washing machine. There is space for a dining table where French doors open out onto the landscaped gardens beyond. Lastly, there is a very useful understairs storage cupboard.

Take the stairs to the first floor and leading off the well proportioned landing you will find three bedrooms alongside a beautiful contemporary family bathroom which has a shaped shower bath with Crittall style glazed screen and black mixer tap, dual rainfall shower head above, vanity unit with pillar mixer tap and storage drawers beneath, provision for lighting and mirror above, WC, beautiful tiling to the bath area and tall chrome ladder style towel radiator. Take the stairs to the second floor where there is a wonderful self contained master bedroom suite with dual aspect windows.
