A beautifully quaint and attractive 3-bedroom Holiday Cottage set within the private Lower Mill Estate. The property boasts a good sized, south facing sun terrace, as well as owning a large strip of land directly in front of the property. This cottage is tucked away in a quiet row of properties which is extremely well placed for access to the onsite facilities which include an outdoor heated pool, tennis courts and children's play areas. There is also a great deal of lakes to choose from for fishing & non-motorised water sports across this incredible 550-acre nature reserve development. Great rental potential. Remainder of 999 year lease.
