Investment Opportunity – Converted Property with Two Modern Flats

A fantastic opportunity for investors or owner-occupiers looking for a ready-made rental asset. This recently refurbished property has been converted into two self-contained flats, each designed for long-term efficiency, comfort, and low running costs. Located on the level on the fringes of the town centre within a short level walk of the Sea front and train station, a older Victorian style terraced house arranged as 2 flats both let at £900 per month, the property has Upvc double glazed windows and a wet central heating system powered by a air source heat pump as well as owned solar panels. Each flat is approached via its own entrance with the ground floor having a newly fitted kitchen and shower room, double bedroom and lounge and with a enclosed courtyard style garden, the first floor has a lounge with a study off of it which could be put back into a 2nd bedroom, a modern kitchen and bathroom and a good size double bedroom. The property would also suit dual occupation.
