Key Features

- Extended Family Home
- 4 Bedroom
- Ensuite To The Master
- Upstairs Study / Snug
- Sitting Room

This detached Wilcon Homes built family house is much larger than an external appearance might suggest as it has the benefit of a 2 storey rear extension creating useful additional bedroom and snug / study area. There is ample downstairs space too with the ground floor part of this extension currently being used as the dining room with door to the garden, and opening on to the sitting room, from where there are a pair of doors leading to the lounge.

The lounge is situated at the front of the house and has a bay window. The kitchen at the rear is fitted with a range of units and appliances including double oven & hob. A stable door from here leads to the driveway.

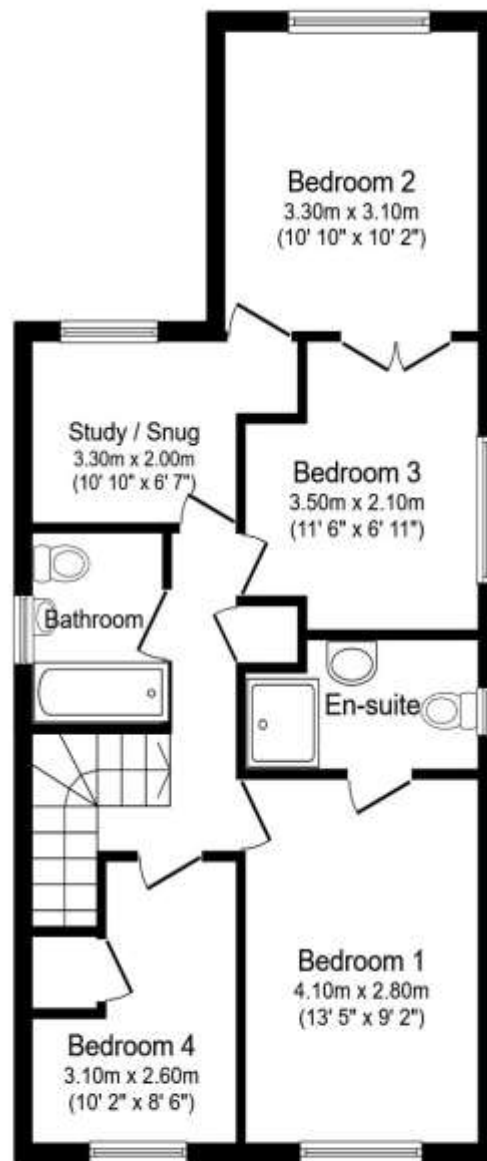

As can be seen by the floorplan, this 4 bedroomed

house with ensuite to the master bedroom has a good deal of space, and this is complemented by the lovely garden, driveway for a number of vehicles, and a single garage.

There is gas fired central heating, uPVC double glazing, and viewing is recommended.
