with an integrated sink and dishwasher. Ample base and eye-level units provide extensive storage, and there is a hob and eye level double oven. Off the kitchen will be found a breakfast room and door to the garden. A separate utility room adjoins the kitchen and leads to a recently refitted ground-floor WC, complete with built-in storage.

On the lower ground floor is a large double bedroom, ideally situated for comfort during warmer months due to its semi-underground positioning.

Upstairs, the first floor offers three further double bedrooms and a modern refitted family bathroom with both a bath and separate shower. The vendor advises there is an adjacent room next to the master bedroom-currently inaccessible but featuring a window-which presents the potential to create an ensuite, subject to appropriate works.

Additional features include a large double garage, gas central heating, and a private, south-facing rear garden. Offering flexible living space and a highly convenient location, this unique property must be viewed to be fully appreciated.
