Located in a popular part of Whiteley which is positioned just off of Botley Road and constructed in 2010 by Taylor Wimpey Homes, is this spacious 3/4 bedroom town house. The property has been enhanced with the addition of a fantastic glass roof conservatory directly off the lounge, fitted wardrobes to the master and second bedroom and fitted office furniture to the study/bedroom four. The property enjoys generous accommodation split over the three floors, the ground floor has a long kitchen/breakfast room, large lounge, a fantastic conservatory and cloakroom; on the first floor is bedroom two, bedroom four which is now a study and the family bathroom. The top floor encompasses bedroom three, which is a generous double sized room again, and the master bedroom enjoying its own en-suite shower room. The property sits in a pleasant tucked away location with a tree lined outlook but is also within easy walking distance to the Swanwick Train Station and a short drive to Junction 9 of the M27. The property is available to rent after the middle of July and to arrange a viewing, please contact a member of our lettings department.
