Available to rent from the middle of December is this two-bedroom, first floor apartment in this converted character property on the outskirts of the historic cathedral city of Salisbury. From the front of the building, you'll see that this is one of the most impressive apartments in this small development, with the 'turret' octagonal shaped bay window and the large balcony, accessed via the lounge and second bedroom. The apartment offers a good-sized lounge, a kitchen with fitted appliances, two generous double bedrooms with the master benefitting from an en-suite shower room, and a separate bathroom. Other benefits include gas central heating with a recently fitted new boiler, a grand communal entrance and staircase, intercom system, allocated parking space along with further visitors parking.
