Available to rent from the beginning of December is this modern, well presented and maintained terraced house. Providing one of the more popular layouts of two bedroom homes, you will find a good size re-fitted kitchen and diner to the rear of the property with patio doors leading out to the garden. The lounge is located to the front of the property and to the first floor you will find two good sized bedrooms with both rooms benefiting from built in wardrobes. Within bedroom one you will find the modern en-suite shower room and to complete the first floor accommodation is the separate family bathroom. The property which has just been redecorated throughout benefits from double glazed windows, gas central heating and one very notable selling point is the garage which is located directly to the rear of the property with a parking space in front. The property is located in a very quiet and tranquil position within the cul de sac overlooking a pleasant treelined pathway.
