### Mallington

This substantial detached family home, in the same ownership since 1977, enjoys an attractive one acre plot which is beautifully maintained by the present owners.

Approached by an 'in and out' driveway, the handsome external elevations conceal substantial accommodation which extends to almost 3,600 sq.ft. plus garages.

Internally, there is a spacious reception hall from where doors lead to principal reception rooms, the cloakroom and w.c.

The well proportioned sitting room enjoys a triple aspect, has an open fireplace and a door out into a covered loggia leads onto a Yorkstone terrace. The dining room is 3/4 height wood panelled and has an attractive angular bay window. The Smallbone fitted kitchen/breakfast room overlooks the rear garden and offers an array of fitted units, matching eye level cupboards with working surfaces and a matching island unit, extensive integrated appliances including a gas Aga stove. A door leads from the kitchen into the family room which features bespoke fitted bookshelves and cupboards. A side lobby, off the kitchen, provides access to a utility room and the gardens.

From the reception hall, an easy rising balustraded staircase rises to a first floor galleried landing off which are 6 bedrooms and two bathrooms, an additional w.c. and large store room which presently houses a sauna.

The whole plot extends to one acre with a south easterly aspect.

Immediately adjoining the property is a large Yorkstone terrace which extends around to one side where there is a BBQ and seating area - great for 'al fresco' entertaining.

The gardens are a particular feature being attractive, well maintained and are extensively stocked with herbaceous flower and shrub borders, kitchen garden

and no longer in use (but could be reinstated) grass tennis court.

In our opinion, Mallington offers a new owner a genuine opportunity to extend/remodel on arguably the strongest and largest original sized plot.
