A wide square bay leads through from the sitting room into the family room which makes for ideal entertaining space. The kitchen has been modernised and there is an array of matching base units and eye level cupboards with integrated appliances and pre-formed worktops which incorporates a breakfast bar. The double aspect dining room is open plan with the kitchen and there are French doors out onto the garden. The utility room is a great size and there is a further space beyond which is currently used as a store.

On the first floor there are 3 double bedrooms and a single bedroom; all served by the family bathroom.

Outside there is ample off road parking and a single integral garage. The rear garden is landscaped with timber decking, coloured flagstones with laurel boundary hedging and side access around to the front. Timber garden shed.
