"Designer Village Living"

Semi detached home, situated within this very sought after village. This stunning interior includes an entrance hall, guest cloakroom, living room enjoying the gas fire, the inner hallway offers useful storage which opens to the free flowing designer kitchen/dining/family room with central island, selection of integrated appliances and bi folding doors create an open aperture to the garden. Upstairs there is a white principle bathroom, and three double bedrooms arranged over two floors, the master occupying the top floor with walk in wardrobe and ensuit, the second bedroom with built in wardrobes and discreetly designed desk area. Outside is a paved fore garden, the rear garden has been landscaped designed with easy care in mind, and driveway provides parking for two/three cars

15-16 Market Place, Kettering, Northamptonshire, NN16 0AJ
