This well-presented family home offers an excellent opportunity for modern living, situated within easy reach of Kettering's key amenities. The property enjoys a convenient location, just moments from Kettering General Hospital and the train station, with access to the A14 for commuters. Newly fitted kitchen featuring a dining space, this home provides comfortable living arrangements across two floors. The ground floor presents a WC, spacious living room and modern kitchen-diner, while upstairs accommodates 2 double bedrooms and one single and a family bathroom. The property benefits from practical outdoor space, including an enclosed low-maintenance garden perfect for busy families, complemented by the convenience of a single garage and off-road parking for two vehicles. This home represents an ideal choice for professionals, families seeking a property in a well-connected location.
