There has been an amazing transformation in this home with the current owners pouring their hearts and souls into this sympathetic refurbishment, blending together character features including cast iron open fireplaces, reclaimed stripped doors with modern styling such as chrome mirrored switches and sockets, cast iron Victorian style radiators and a refitted kitchen which has the look and finish of a hand-made one. Enhancements have also been made including an opened up 'vaulted' ceiling in the main bedroom and exposing a brick & timber wall on the landing. All the improvements have been set off perfectly with a subtle Farrow & Ball paint palette and oak flooring to the ground floor.
