Set in the historic and picturesque grounds of Berry Hill Hall dating back to c.1730, Berry Hill Park View and Park View Gardens have been creatively designed to a striking contemporary design to be sympathetic to the stunning facade of the Grade II Listed hall which has previously been tastefully converted into a range of luxury apartments.

Offering a range of only x8 stunning four and five bedroom homes together with only x12 two bedroom apartments built by Eleanor Charles Homes, this prestigious and desirable development offers something for a wide range of prospective purchasers, from first time buyers, to upwardly mobile families looking for a statement home, to those looking for a relaxed retirement base with sufficient space to host family and friends.

The development enjoys expansive, south facing views across Berry Hill Park and sits adjacent to the re-imagined formal garden to Berry Hill Hall, which is to be lovingly restored to its former glory to be enjoyed by all residents as part of the overall re-development of this historic location.

Each property will be exceptionally well appointed to a high specification throughout with quality fixtures and fittings in keeping with such a prestigious development, together with a 10 year NHBC warranty. Purchasers reserving early will have the opportunity to place their own personal stamp on their future home with some choice of specification such as kitchen unit colours, tiling, floor coverings and decorative colours.

This exciting new development is in a fantastic location, just a short distance from Mansfield Town centre and within close proximity of many local amenities and excellent restaurants such as Il Rosso. It is a mere stone's throw from Berry Hill Park with all the outdoor recreation amenity this offers, and also benefits from ready access to other nearby recreational facilities, such as Bannatyne's Health Club & Spa. There is easy access to the national road network via the A38, M1 and A1, and a short drive to the thriving cities of Derby and Nottingham. Whether you're looking to dine out, have a few drinks with friends, looking for active leisure pursuits or more sedate cultural activities, the area offers something for every taste.
