The property is well presented throughout and benefits from gas central heating and UPVC double glazing. The ground floor layout of accommodation comprises an entrance hall, separate lounge, kitchen/diner and a conservatory. The first floor landing leads to three bedrooms and a bathroom.

### **OUTSIDE**

Externally, the property sits in an elevated position on a substantial plot extending to circa 0.25 of an acre with a pleasant front aspect, set well back from the road behind a brick walled boundary. Double wrought iron gates lead onto a substantial gravel driveway with turning space which provides off road parking for numerous vehicles. There is a lawned front garden area between the brick walled front boundary and driveway. A gate leads through to further gravel areas to the side of the house to an adjoining outbuilding/garden store and a detached single garage beyond. The rear garden is vast and tiered in two sections divided by two retaining walled boundaries with picket fence above.
