- Modern Detached Family House
- 4 Double Bedrooms
- Large Open Plan Living/Dining/Kitchen
- Underfloor Heating to GF
- Large Block Paved Drive & Integral Garage
- Individually Designed & Built in 2019
- 2 En Suites & Family Bathroom
- Snug with 4m Vaulted Ceiling
- Good Sized Corner Plot (0.20 Acres)
- South Facing Landscaped Rear Garden

An individually designed, modern and spacious four bedroom detached house occupying a good sized corner plot (0.20 acres) with a south facing rear garden, set back behind remote controlled electric gates in a central village location within walking distance to amenities.

The Corner House was built in 2019 to a high specification throughout with underfloor heating to the ground floor, and provides spacious family living accommodation extending to just over 2,000 sq ft.

The ground floor layout comprises an entrance hall, downstairs WC and a utility room. There is a large, 9m dual aspect open plan living/dining room featuring a beautifully appointed brick fireplace with dual log burner and a good sized, modern, open plan kitchen/breakfast room with island and integrated appliances. Returning to the living space, bi-fold doors either side of the fireplace open to a bright and airy, triple aspect, snug which features a 4m high vaulted ceiling. The first floor galleried landing leads to a master bedroom with a fitted walk-in wardrobe and an en suite. There are three further spacious double bedrooms, a second en suite and a family bathroom. The property has UPVC double glazing with tinted glass to the ground floor south facing rear windows and to the large side window in the snug. There is gas central heating with underfloor heating to the ground floor (radiators upstairs and electric underfloor heating to the en suites and bathroom).

OUTSIDE

The Corner House occupies a good sized corner plot extending to circa 0.20 of an acre, set back from Dale Lane behind an established hedgerow boundary frontage which extends round to the side and rear of the property boundary. Remote controlled electric gates open onto a large block paved driveway and integral garage providing off road parking for numerous vehicles. The front garden to the side is laid to slate chippings with a shed, and gates to each side of the property provide access to the rear garden. To the rear of the property, there is an enclosed, south facing, landscaped garden featuring a substantial L-shaped patio which extends across the full width of the property with a low retaining walled boundary. Beyond here, steps lead up to a raised lawn with low, vertical sleepers to the borders with established hedgerow and trees to the far boundaries.

AN OPEN FRONTED STORM PORCH WITH CEILING SPOTLIGHTS LEADS TO A COMPOSITE FRONT ENTRANCE DOOR PROVIDING ACCESS THROUGH TO THE:
