A traditional and extended three bedroom detached bungalow built in the 1930s, occupying an elevated position with open countryside front views across Buttery Lane.

The property has been in the same family name for nearly 50 years. The property was extended to the side in the 1980s adding an additional reception room/bedroom three. The property was extended again in the 1990s with a garden room built off the kitchen with a new roof and ceiling lantern installed in 2021.

The layout of accommodation with gas central heating and UPVC double glazing comprises an entrance porch, central entrance hallway, lounge, snug/bedroom three, kitchen/diner, garden room, two bedrooms, shower room and a rear lean to with doors at each end giving access to the outside.

The property would benefit from some upgrading and modernisation giving prospective buyers an opportunity to put their own mark on the property.

#### OUTSIDE

The property occupies an elevated position set back from Buttery Lane with driveway parking for one car immediately in front of a detached single garage. A pedestrian gate on Buttery Lane opens to a long incline pathway adjacent to brick walls either side with separate steps also giving access to the front garden which is enclosed by low conifers. The front garden is relatively easy maintenance laid to pebbles and gravel with individual stone pavers with a path leading to the front entrance door and a path which continues to the side of the property flanked by a stone wall boundary with door at the end giving access to the lean to. A pathway continues across the front of the property with gate at the end opening to an enclosed and private, southerly facing, elevated garden with extensive patio areas, low maintenance pebbles and enclosed on all sides by conifer boundaries and with stone walled boundaries to the side and rear. There is a path beyond the conservatory leading round to a water tap, an adjoining store (5'11" x 2'10") and a large pedestrian gate to the side provides further access to the lean to. The gardens enjoy a pleasant, elevated and south easterly facing aspects of mature trees and countryside the other side of Buttery Lane.
