OUTSIDE

Pear Tree Lane is a countryside lane accessed from the centre of Teversal Village off Pleasley Road. The approach alongside adjacent countryside with wonderful views continue when you get to the property, which really do emphasise the quiet, rural village setting. Externally, plot 5 has a double width pebble driveway to the side of the house providing off road parking for numerous vehicles which leads to the large detached double garage with a remote controlled electric up and over door. There are gravel and planting borders to each side of the driveway with access to the side and rear of the garage leading round to the rear garden. A sandstone

pathway from the driveway extends across the front of the property leading to the other side of the house where there is a 9ft wide garden area and path leading to the rear garden. To the rear of the property, there is an extensive sandstone patio which extends the full width of the property, a lawn, Kingspan Klargest BioDisc and fenced boundaries on two sides.

LOCATION

Meadow View has a fabulous location, with its delightful rural setting and yet still being in an incredibly convenient location within close proximity to Hardwick Hall, the Teversal trails and Silverhill (one of the highest points in Nottinghamshire) which all offer some beautiful walks straight from the property. There are an excellent range of amenities nearby including the highly regarded The Carnarvon pub/restaurant, excellent links to the M1 and Chesterfield train station which offers a well serviced route reaching London in under two hours. The delightful village of Teversal also comes stacked with a well established history including links to D.H Lawrence and the 5th Earl of Carnarvon, who was the financial backer in the excavation of Tutankhamen's tomb which is celebrated with a feature mosaic on entry to the village itself.
